April 11 through July 31, 2003

April 2003

Walk the dog one more time
Along the path that used to be
Country road, watching

Her dense black shape move
Restless against the stillness
Of early Sunday morning.

Walk the dog one more time
Lost in thought, past regrets
And dreams for tomorrow.

We will trace our steps
As we did yesterday and the day
Before yesterday, back to the house

And my studio where I live
Each moment today in simple
Celebration of form and color.

Walk the dog just one more time
Along industrial park asphalt streets

Lined with trees freshly washed
In April rains, waiting for
The sunlight of Spring.

-A. Van Suchtelen
