Current Issues

- Declining enrollment
- Consolidation of programs
- Economic challenges
- Changing education culture
- Changing education clientele

Changing Education Clientele - Expand how we traditionally think of and define diversity

- **Non-traditional**
 - **Gender**
 - **Ethnicity**
-
- **Diversity of Learning Styles!**

How do we capture those audiences?

**Once we have them,
what issues and needs might arise?**

**And how do we adapt to
meet those needs?**

Discussion – Capture and Serve

- Non-traditional
- Gender
- Ethnicity
- Techno-level
- Learning styles
