### **JoLynn Runolfson Selected as Contributing Author in Fraud Book. - February 2011**

JoLynn Runolfson, SOA Lecturer at the Uintah Basin site, has been selected as a contributing author in a soon-to-be published book in the "Fraud Casebook" series authored by Dr. Joseph T. Wells, founder and Chairman of the Board of the Association of Certified Fraud Examiners. The book will be focused on financial statement fraud and is expected to be published in late June. JoLynn's fraud case was chosen as one of only 47 cases out of 100 that were submitted for consideration. Her contribution is a write up for a case she managed while employed by Neilson Elggren LLP about loan losses on securitized asset pools.
