FARM LOANS

Richfield, Utah, May 11, 1906.

Pres. Wm. Kerr,
Agricultural College,
Logan, Utah.

Dear Sir:--

Will you have graduating from your institution this year a young man or a young lady, who would accept a position as assistant teacher in the Richfield-High School at a salary of \$75.00 per month? The opportunities here are good for a teacher to advance in a financial way, but for the present \$75.00 is all we can pay for the position named, and we have not much choice as between a male or female teacher. We should expect such teacher to be able to handle the following subjects: Physical Geography, Elementary Botany, Elementary Zoology, First and Second Year English and Elementary Algebra.

Very truly yours,

H. N. Hayes
Chairman Richfield
School Board.
