Mr. H. N. Hayes,

Chairman Richfield School Board,  
Richfield, Utah.

My dear Sir:--After canvassing the situation thoroughly, I have pleasure in recommending Miss Mildred Forgeon for the position in the Richfield High School. Miss Forgeon completed her course this year, and will receive her degree in June. In addition to her regular work as a student, she has been assisting in the library for two or three years, and has given entire satisfaction. She is a bright, progressive girl, a good speaker, and I am sure will be able to meet your requirements. She has unusually good grades in all of her subjects. She is thought highly of by both students and faculty. She was selected as one of the three speakers in the debate with the B. Y. U., she being the alternate. At the banquet in Provo, given in honor of the visitors, she was called on for a toast, and although speaking extemporaneously, she aroused considerable enthusiasm by the successfully way she treated her subject..

Should you employ Miss Forgeon, I am sure you will find her in every way satisfactory. She expects to devote her time during the vacation in summer school work at the College, giving special attention to methods and other subjects that will be most helpful to her in her teaching.

Sincerely yours,

President.
