May 11, 1906.

Principal Ezra Christensen,
Ricks Academy, Rexburg, Ida.

My dear Sir:-

I have pleasure in recommending Miss Minnie Peterson for a position in your Academy. Miss Peterson has been a student of the Agricultural College during the past four years, and will complete her course, receiving her bachelor's degree, in June of this year.

In addition to her regular school work, Miss Peterson has been an assistant in the Department of Domestic Science this year. Her work has been highly satisfactory. She has also assisted in the Department of English in criticising themes, and has been one of the most active workers in the College Dramatic Association, College Choir, and other general College interests. She is an earnest, studious lady of genial disposition and good character. Her influence with young people would be helpful, and in every way satisfactory. Should you have an opening in your Department of Domestic Science and Arts, I am sure you will make no mistake in employing Miss Peterson. I recommend her without any reservation whatever. We should not hesitate to give her a position in the College, should there be a vacancy.

Very truly yours,

President.
