Facebook pass alongs on my FB page today: 1. Cute dog with the saying: Get a job loser I don't want to fight to earn you money. 2. Pic of dog tags with saying: not everyone in the 60's wore love beads. 3. Pic of creepy clown in underground cement dungeon with a spray painted sign on the wall that says "free hugs". 4. An optimistic saying about how one step forward and one step back in the cha cha. 5. It's not what you do for your kids, it's what you teach them to do for themselves. I think all this tells us is what my friends think. Maybe if we all compared what our FB pages pass alongs shared we'd find some shares in common?
