Huntsman Post - October 2014

The following is a historical representation of Huntsman Post Issues. Not all original issue content is still available online. Where content is available it is included on the pages following the email layout.

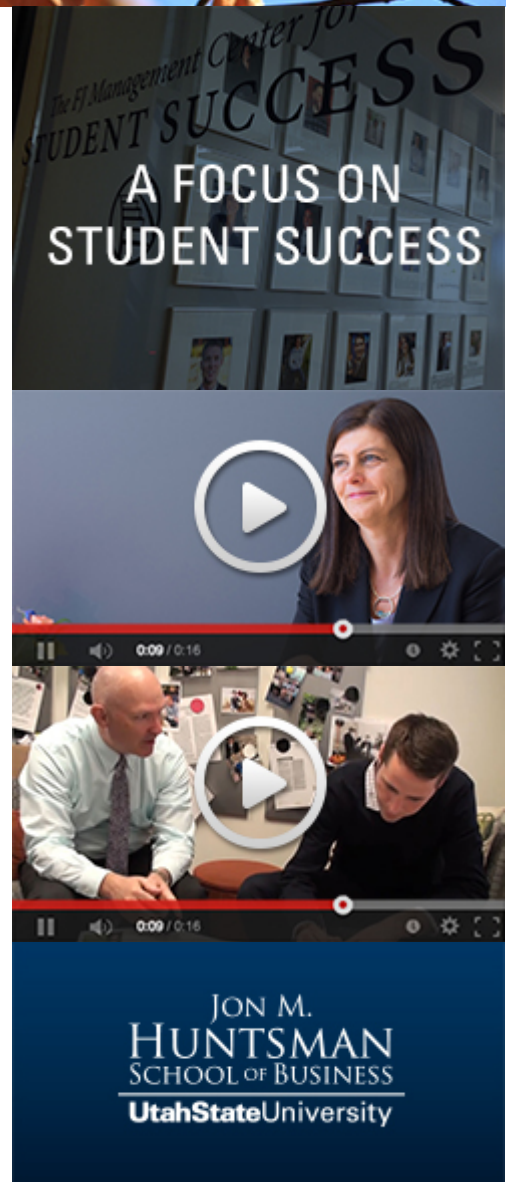

With Aggie football games every weekend, it feels like October in Logan. Fall also brings with it the latest issue of our bi-annual [Huntsman Alumni Magazine](#). This issue is focused on our efforts to expand opportunities for our students and create an environment for their success.

On September 11, we officially opened the FJ Management Center for Student Success with the help of some great friends of the Huntsman School, Crystal and Chuck Maggelet. We believe this new center, combined with a revised curriculum, outside-the-classroom experiences, and the support of our alumni, will give our students the opportunity to contribute in meaningful ways in their communities when they leave the Huntsman School.
