Pres W. L. Kerr:-  
Logan: Utah

Dear Sir:-

I understand that  
next year you anticipate  
~~adding a Vocal Instructor~~  
to your corps of Teachers.  
I should like this position  
as I leave your College  
with a fine field for

My work. I enclose <sup>2</sup> three  
notices which will give you  
a better idea of my work and  
ability - than I could, and are  
of value because written by  
disinterested critics. Who were  
not my personal friends.  
The type-written extracts  
are from notices in regard to  
the various Quercus I have  
given and cover very thoroughly  
the subject of my price,

3

style method of singing  
and teaching. I enclose  
notices of the Opera of Cinderella  
which I gave Dec 1.<sup>st</sup> so that  
you may see that I am  
capable of training and  
directing large choruses. I  
am sorry not to have the  
Ev News & Fruits. notices of  
the 2<sup>nd</sup> of Dec. but was unable  
to get them. They give me and  
the Opera. even more praise than

4

these I enclose. I trained  
this Company in every detail  
of stage business - as well  
as selecting and teaching  
them all the music used -  
personally designing and  
arranging all the costumes.  
I think it would add  
materially to the prestige  
and popularity of the College  
if the students could give  
Cantatas, Operettas and

Concerto from their own Music  
Department - Capt and Mrs. Stue  
have been my friends for years  
and can tell you all about me  
personally. Will you be kind  
enough to let me know just what  
the position is to be and how well  
it would pay me. I am to sing  
at a Recital in Logan May. 16<sup>th</sup>  
and hope to meet you there and  
that you will hear me sing.

Very truly yours -  
(Mrs) Martha Royle King  
H 28<sup>th</sup> 1914.
