Mr. W. V. Davis,
Robinson, Utah.

Dear Sir:

Your inquiry of the 30th instant is just received. On page 64 of our catalogue, a copy of which I am sending you under separate cover, you will observe that the course in Mechanic Arts runs through four years. On page 105 you will find additional information regarding these subjects. It is possible to specialize in carpentry.

Board and room accommodations in Logan can be had from $3.00 to $4.00 per week, as given on page 41. Each year a number of students pay their expenses, in whole or in part, by doing janitorial and other work. If you desire to become an applicant for some such work, kindly notify us at your early convenience and we will do what we can for you. Further information will be gladly given.

Truly yours,
Sec'y to the President

Gentlemen,

Dear Sir,

I want to take up carpentry.

How long would it require to complete the course?

Would I have to take any other study with it?

Would I work to help to pay board, and how much is board for each?

Please answer and oblige.

Respectfully,

W. V. Davis
