The Internet wastes no time.

Kim Kardashian set off on a quest to #BreakTheInternet with her risque Paper Magazine covers, and she's getting some extra help from these hilarious memes that are bound to go just as viral as the real photos. Here are a few of our favorites:
#BreakTheInternet - What they did to image of Kim K is going viral. I'm gonna die 😂😂

je vous pose ça là avec le HT #BreakTheInternet pour que vous pigiez bien le truc et je sors sans faire de bruit.

3:22 AM - 12 Nov 2014
Sorry, Kim, but you had to know this would happen.
