Logan Utah
Dear Sir:

I received your letter Fri. evening
and made arrangements to meet you
at the Canyon Return 2nd and 3, P.M., Sat.
I was there at 2:40 and could not
find you, I ^{also} called at 8:00 in the evening.
The studies I have followed are - Piano,
Voice, Harmony, Parlor Organ, and Public
School methods, which I have specialized
in. Then choir leading, orchestra playing,
sight singing and some band work are
minor ^{studies}.

I was a member of the St. Thomas
Choir ^{for a year}, where the masses are all from the best
masters, and the words in Latin.

2.

Sang in The Operas Patience, Carmen,
Gerontias and Fair Ellen, while at school.
There was a vacancy in the City system
in Ann Arbor in the Public School Method
and they gave me ^{the} first opportunity, But I was
too busy ^{to accept}.

The clipping from The News is wrong in
stating that I have been away for a number
of years. Should read studied here for years
and have only been away from home one year,
in the Michigan school of music.

Have studied under a number of teachers
Have played accompaniment for many of
the prominent musical stars of Lake
Lizzie Thomas Edwards, Oliver, Ensign, Graham
and Mrs Susie Grant, Mann, = my wife,
Played in orchestra at Lagoon in 1899.

taught in Colorado for 2 years, with Choir
organ, Band and other playing accompaniment
and singing in Quartette, Directed Choir for
10 years.

my education has been one year in the
L. D. S. College and 3 months in the Salt
Lake Business College. Have taught music
to private pupils for 6 or 7 years and have
25 pupils now.

I am confident I can do the work
well, of course can only judge from what
I know of what is expected in the State
University, Would be delighted with a College
Band or Glee Club.

Kindly inform me at your earliest convenience
what you pay, what the position demands of
me and when you will be in Salt Lake
again. over

Very Truly
E. David Mann
