FRANK L. REED  
FELLOW AMERICAN COLLEGE OF MUSICIANS  
PIANO-THEORETICAL BRANCHES

Fremont, Neb. Feb. 28, 1906

President, The Agricultural College of Utah,  
Logan, Utah.

Dear sir:

I address you to inquire if there is or will be any vacancy in the faculty of your Music Department. For personal reasons, which I will be glad to make plain if occasion requires, I wish to locate farther West.

You will see what my specialities are by my letter-head. Besides successful experience with private classes in Cincinnati, Indianapolis and elsewhere, I was with the Ithaca (N.Y.) Conservatory of Music for two years and have been with the Fremont College for four years upon the best of terms with the Management.

My education was received with distinguished private teachers. I was in 1902 made a Fellow of the American College of Musicians by examination under the Regents of the University of the State of New York.

I am thirty four years old and married. Should you desire further information I will be glad to furnish proper credentials, photograph, etc.

I enclose stamped envelope for reply and am,

Respectfully,

*Frank L. Reed*

P.S. If you have no opening for my services but know of any opportunity elsewhere I will be very grateful for the information.

March 14, 1906.

Mr. Frank L. Reed,  
Fremont, Neb.

Dear Sir:-

I am instructed to inform you that, so far as known at present, there will be no vacancy in the School of Music next year. Your communication will be kept on file, and should there be an opening later, you will be notified.

Yours truly,

Secretary to the President.
