Pres. Kerr.

A. C. U.

Dear friend, —

I forgot to speak to you about some work next year for Miss Letitia Flint, as she requested me to do. She is very anxious to complete the three year Domestic Science Course, and is exceedingly anxious to earn a little something to help pay her way. Miss Flint does not

not seem particular as to the
kind of work she does.

I also forgot to mention when I
was there to get the knives for Mrs.
Cami, that I had just received
a very polite letter from Pres. Cook
of Denton, Texas, stating that my
application and recommendations
were received too late for their
meeting, which was held earlier than
they anticipated.

Very respectfully

Logan Aug. 5th

Dalinda Cotey.
