GENERAL MERCHANDISE

AMERICAN FALLS, IDAHO, Feb. 28/06. 190

Pro. W. J. Kerr,
Logan Utah.

Dear Sir:--

A young lady acquaintance of mine is desirous of securing a position as teacher of music in some public institution, and it occurred to me that you might be able to suggest an opening.

She has had about two years experience and spent considerable time studying in Chicago. Her home is in Kansas. She is from a fine family and has a great deal of ability outside of her musical talent.

She would be eminently fitted for work in Public Schools, as she can handle all classes of pupils. Any information that you would be able to give me concerning a situation, would be greatly appreciated.

Yours respectfully,

W. H. Philbrick

March 3, 1906.

Mr. W. H. Philbrick,
American Falls, Ida.

My dear Sir:-

I am in receipt of your favor of Feb. 28th, making inquiry regarding a position as a teacher of music in this institution.

Your communication will be placed on file, and should there be an opening here for the young lady about whom you write, I shall inform you. The probability is, however, that our present instructing force in the Department of Music will be sufficient for the needs of the department next year.

Yours very truly,

W. J. KERR, President.
