ACTIVITIES

Registration

Can any student ever forget that first orientation or registration? The typical student wondered if the speeches would ever end, lunch ever arrive, and if it's possible to get just one class at the time desired. Confusion continued as activity cards turned up having the wrong name with the wrong face. The day, however frustrating, gave freshmen their first taste of college life.

Hello Week

Students 'get down' at Hello Week dance.

Hello Week turned out to be a get-acquainted and re-acquainted experience for students, as they were thrown into a whirl of activities. The festivities included: swimming, a barbecue and volleyball game, "The Life & Times of Judge Roy Bean", and a 'Howdy 'Doody' forum. Excitement continued through the dance, and concluded at the LDSSA's Fall Field Day.

Saga of Castle Valley

The curtains opened and the audience watched as the history of our own Castle Valley came to life on Stage. Under the direction of Rodger Sorensen, the cast relived the settling and establishing of this county, lightening it with humor. The performance included members of the Community Theatre and the College of Eastern Utah.

Newman

The efforts of many, and their concern for involvement helped the reorganization of Newman, an organization formed to deepen the spiritual and temporal lives of it's members.

Geats

The moments of laughter, the times of sadness, that brought tears, and the unending applause that filled the Geary Theatre throughout the year was made possible by the Golden Eagle Amateur Theatrical Society who gathered their talents, patience and willingness to perform, helping make this year a memorable one.

The accomplishments of all athletic teams at CEU was recognized and praised by many, but those who worked for athletic support were few. The "ABC" club expressed their concern, spirit, and enthusiasm for athletics throughout the year as they performed anonymous duties for those participating in sports.

Forums

This being an election year, many of the forums featured political debates and question answer periods. Along with the more academic side came the entertaining. Other forums included Greek dancing, plays, a Christmas-around-the world, Howdy Doo Dee, Transcendental Meditation, an African Safari and a visit from VISTA.

Yearbook Staff

Meeting at the last minute with deadlines that were set three months ago, and writing soon to be forgotten words were all a part of being a member of the yearbook staff. But somehow with the patience of our editor and the cooperation of each other we made it. Trying to make a composite of the years activities into one book may not seem a highly practical task to undertake, but in the end it seems to have turned out alright.
