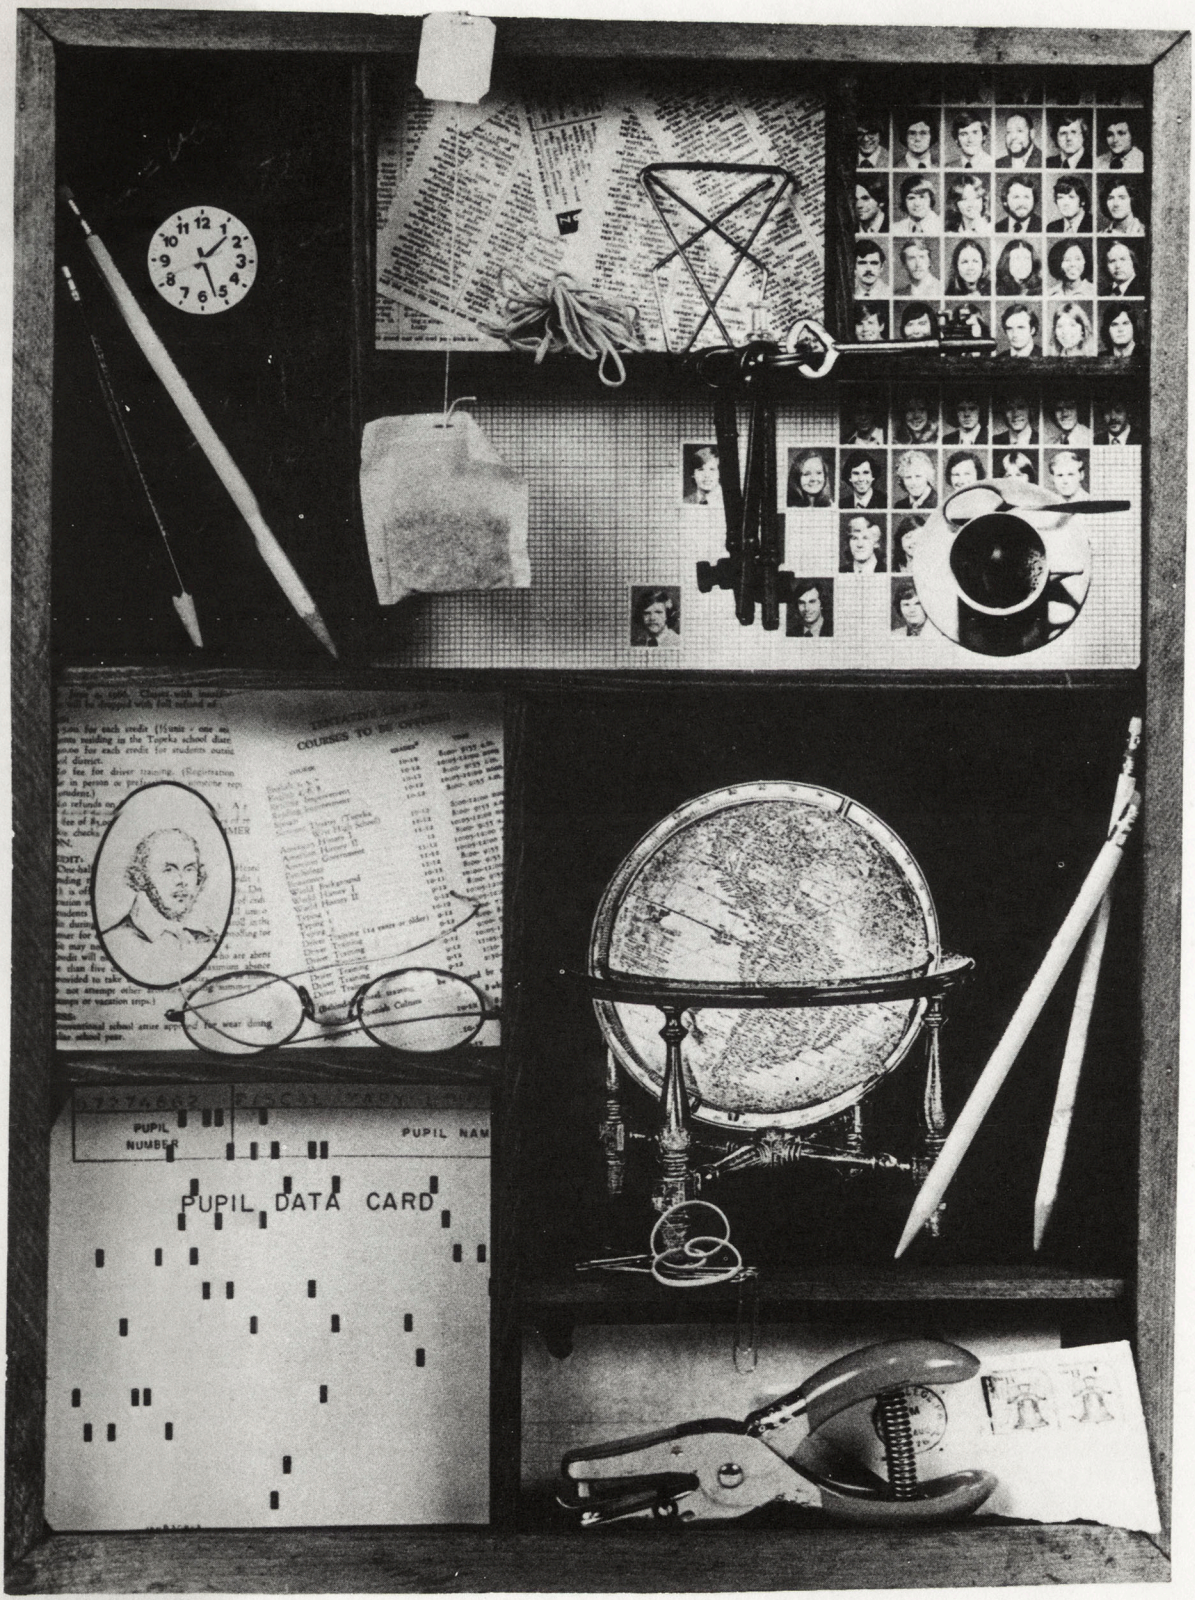
ADMINISTRATION



President Of The College Of Eastern Utah

THE FUTURE IS NOW

President Dean M. McDonald

How often do we picture ourselves in the future, as a successful professional or business person - as a devoted marriage partner or as a proud parent of a fine family?

It is essential that in making such projections, we are aware of the fact that the passing of time is constant, relentless and exacting. All too often we think we have "plenty of time" to prepare to achieve and to succeed. The truth of the matter is that all we have is that precious, present moment. What we do right now, a minute at a time, determines to a marked degree what, when, and how the future will be spent.

Benjamin Franklin once observed: "I have thought that a man of tolerable abilities may work great changes, if he first forms a good plan and makes the execution of that same plan his whole study and business".

I urge you to be alert to the history of the past and to your dreams of the future, but especially to your personal behavioral activities, because the Future is Now. . . . . .

The Ballad of Barbara Allen

A Witch-boy from the mountain came, pinin' to be human,
Fer he had seen the fairest gal . . .
A gal named Barbara Allen.

O Conjur Man O Conjur Man,
Please do this thing I'm wantin'
Please change me to a human man,
Fer Barbara I'd be courtin;

Now, Barbara had a red, red dress
And one she had of blue,
And many men did Barbara love,
But never was she true.

Oh, you can be a man, a man
If Barbara will not greive you,
If she be faithful for a year,
Your eagle, he will leave you.

Oh Barbara will you marry me,
And will you leave me never,
Oh, yes, my love, I'll marry you,
And live with you forever.
