University Business
Legislative Session Wrap-up

- Compensation: 3.5% salary increase and 6.4% health benefits increase. However, this will not cover the total increase in health benefits, and some of the 3.5% salary increase will be devoted to covering the increase.

- Tuition Waivers: USU received 400 additional out-of-state tuition waivers.

- Concurrent Enrollment – Passage of HB151 will allow for an increase in fees. This stops USU subsidizing the program.

- Engineering Building: The Engineering Research Wing will start construction in the coming summer. $6.1 million will come from legislative bonding and $5 million from already raised by USU.

- Ag Relocation: The legislator funded the second $5 million to cover the costs of moving the North Farm to the South Farm Complex.

- USTAR: Funded for $15,250,000 ongoing & $50,000,000 one-time.

- Fuel and Power: USU received $1,200,000 in ongoing funds, and $1,200,000 in one-time monies, to meet this need.

- High Tech Charter School: $700,000 in one-time funds granted to complete the remodeling of the Early College & High School project.

- Uintah Basin Campus Building: One-time funding of over $9 million was provided for the construction of this building.
• Tooele Building: USU’s Toole Branch campus was given one-time funding of $900,000 that will allow USU to pay off its lease on the property.

• Engineering Transportation Research Center: Funded for $1 million to create a new research center. A match of Federal dollars will be available to complete the project.

• Mud Slide Study (South Side of Campus): $200,000 was given to USU for research on the mudslide near campus.

• Engineering Initiative (5th year): The EI received $160,000 in ongoing funds and $224,000 in one-time monies.

Consent Agenda
Barry Franklin motioned to take the Domestic Partner Benefits Proposal from the BFW report and place it as an action item on the April Faculty Senate agenda, seconded by Maure Smith, carried. John Kras moved to accept the consent agenda without the DPB Proposal, seconded by Greg Jones, carried.

Note EPC Business for March has four action items: 1) The request by the Master of Business Administration to remove the Business Analysis and Decision Making Specialization, 2) The request by the Master of Business Administration to remove the Business Information Systems Specialization, 3) The request by the Master of Business Administration to remove the International Economics Specialization, and 4) The request by the Master of Business Administration to remove the Quantitative Economic Analysis Specialization.
