Pres. Wm. J. Kerr,
Logan, Utah.

Dear Sir:--It has been the practice of this Bureau for the past six years to close its doors so far as possible against persons not prepared to do good work, by refusing to advertise in Educational Journals. We have found this so satisfactory to us and also to our patrons that we purpose continuing the same unique policy. We are not so much interested in getting members, as in placing them.

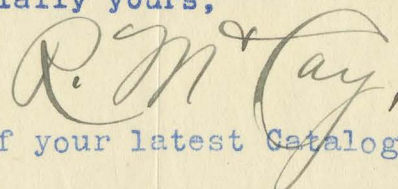

Believing that the best are none too good for us or our patrons, and wishing to be serviceable to both you and your students, we write you for a little information.

We enclose some Recommendation Blanks, and would be pleased to have you do either of two things, namely: Fill out the Blanks, and return them to us; or write your name upon the same, and hand them to the most deserving prospective teachers among the students of your Institution. Your recommendation will entitle every person thus recommended to free enrollment in our Agency from the present time to March 1, 1906.

Kindly keep us in mind also when your Institution is in need of a teacher. Our List is unequalled by that of any other Agency in this country.

Thanking you for the favor of a prompt reply, and enclosing a stamped envelope for the same, I am

Very cordially yours,

Mgr.

P. S. - Since we have not one of your latest Catalogues, kindly send us one.
