Dear Sir,

I received a journal ^{from} your college the other day in which I was interested, and I would like to take a winters course in mechanic arts. and I think my brother will also take a winters course too, and I would like you to enlist my name as a student and I would like you to let me know if there is room in the school for us. and do you know of any place where we could board or get a room

Please write me and let me know
Yours truly
