OREAD INSTITUTE,
OF
DOMESTIC SCIENCE.

Worcester Mass. April 4, 1904

President N J Kerr,

Agricultural College of Utah,

Logan, Utah,

Dear Sir: The enclosed letter will recall to mind that some time ago Miss Pugh wrote you concerning the work of your college in domestic science. Miss Pugh, finding her plans altered, has turned the letter over to me. Have you, as yet, made definite arrangements as to a course for next year? From our catalogue, you can judge of the character of the work done here.

If you decide upon such a course, I wish to be considered an applicant. I taught for some years before taking up the course in domestic science. At any rate, I should be pleased to hear of your plans for the future.

Yours sincerely,

(Miss) Beebe Thompson.
