Pres. Wm. J. Kerr,
Logan, Utah.

Dear Sir:

May I trouble you to inform me whether or not there will be a vacancy in the teaching corps of your Domestic Science Department at the end of this year. Should you have one, I wish to be considered an applicant for the same.

I shall be pleased to ans. any questions on my work here or if you should come to New York to introduce you to the heads of the departments and show you the work of the school.

Any thing that you can do for me by way of position either in your own school or in another will be very much appreciated.

I shall hope to hear from you
as to the prospects.

Very respectfully yours,

Blanche Cooper.

Your letter of Dec. 30th, in which you inquire regarding the probability of there being an opening in the College for an instructor in Domestic Science and Arts, was duly received. With best wishes for your success, I am,

Very truly yours,
