Dear sir

I am desirous
of securing a position
to teach Domestic Art,
including sewing,
dressmaking, millinery

and basketry. If you contemplate making any change in your corps of teachers, or enlarging your department, I should be glad of an opportunity to present references in regard to my training and experience. I am a graduate of Peck Institute, and have taught two years in Straight University, New Orleans, two years in the New York public schools and two winters in New York evening schools. I am at present taking a graduate course in this line

I work at Pratt,
Hoping for your
favorable consideration,
I am, respectfully yours,

Anne L. Hazen
