Salt Lake City, Utah,  
Sept. 2, 1905

President of the college.

Dear sir, -

While stopping in Salt Lake City this summer, have heard much of the agricultural college of Utah and its high standard. It is a school I should like very much to be connected with.

I am a teacher of Domestic Science, was graduated from the Domestic Science Department

of Drexel Institute Philadelphia  
in nineteen hundred and three  
Have taught the following two  
years in the Domestic Science  
department of the Penna. State  
Reformatory and can furnish  
recommendations from said  
school, also indorsement from  
the Director of the Domestic  
Science Department of Drexel  
Institute

If there are any vacancies  
in that department of your school

I would be pleased to correspond  
in regard to such, or if not  
may my application be placed  
on file for future reference?

Yours respectfully

Miss K. M. Casca den
