My dear Pres. Kerr:

I am writing to see if there is likely to be a vacancy in your Domestic Science Department in the near future. We have this year several excellent teachers, who would like to take up the work in some of our Western colleges. They are capable women and I am sure would give excellent satisfaction.

In case there is to be such an opening in your Department, I would consider it a great personal favor if you would notify me of the same.

Very sincerely,

Georgetta Witter

Prof. Georgetta Witter,

Dear Madam:-

Your favor of the 27th ult. will be kept on file, and we shall be glad to notify you of any vacancies in our School of Domestic Science and Arts. There will probably be no vacancies, however, next year.

Yours truly,

Secretary to the President.
