Syman, Idaho,
Mar. 28 - 1907.

School of Agriculture,
Logan, Utah.

I am teaching
a term of school in Fremont Co.
Idaho, which, closes Apr. 26 - 1907.

I should like to enter school as a
student as soon after that date, as
possible. Would I be admitted at
the time mentioned, and could
I take work differing from the regular
course?

I should like to take Algebra, Rhetoric, and
General History, with perhaps one or two

additional subjects. I have had some work in each of the studies named and have taught on a second grade certificate in ungraded schools for several years.

Kindly let me know if I might board at the institution and what my expenses for board & tuition might be (per mo.).

I have been refused admittance to several schools because of the time at which I should enter. Any suggestion from you would be greatly appreciated.

Yours very truly,

Emma Greenwalt.
