Denver, Colo., Feb. 9th, 1903.

W. J. Kerr, Pres.,
Agricultural College,
Logan, Utah.

Dear Sir;-

Your letter of January 29th is at hand. In reply to your inquiry will state that domestic science courses are given in a few of the city public schools of our state, the school districts paying for the same. The instruction is given by special teachers. Domestic science courses are given in our State Normal School and also in our State Agricultural College.

Yours truly,

Helen L. Grenfell
