President William Jasper Kerr,
Logan, Utah.

Dear Sir: I have seen in the last number of the Experiment Station Record that Prof. Jardine has resigned his position with you. If you are looking for a man to fill his place and care to consider a man from the eastern part of the country, I should like to have you investigate my fitness for the place, or, I shall be pleased to present an application and recommendations.

Hoping to hear from you, I am,

Very truly yours,

M. L. Fisher
