# **Award from American Water Resources Association | Civil and Environmental Engineering**

**06/01/2016**

April 13, 2016 Ayman Alfifi won first place in the American Water Resources Association Utah Chapter student paper competition. His paper is titled "Systems Modeling to Improve River and Riparian Habitat Quality." The presentation occurred at the Utah Division of Water Resources offices in Salt Lake City, Utah. Ayman Alfifi is a CEE and Water Lab Phd student.
