March 17, 1903.

President H. H. Goodell,
Amherst, Mass.

Dear Sir:-

I am just in receipt of a communication from Mr. Wm. Bowker, Secretary of the Board of Trustees of the Massachusetts Agricultural College, in regard to the way in which our accounts are kept. I have handed the same to the Secretary, Mr. P. W. Maughan, suggesting that he furnish you such information as he may have that would be suggestive. It is proper for me to say, however, that our system is not at all satisfactory, and at present we are considering the question of overhauling our system of accounting, making such changes as will meet our requirements.

I shall very much appreciate it if you will kindly furnish us with any information you may get in your investigation of this important matter.

Thanking you in advance, I am,

Yours very truly,

President.
