Dr. W. J. Kerr,
Logan, Utah.

Dear Sir:-

I am informed that Mr. E. D. Ball is an applicant for professorship in your Institution.

I wish to say that Mr. Ball is especially strong as a teacher. He is generally considered to be one of the hardest working men about this Institution; he is also a good public speaker. While we all dislike to lose him, we feel that it would be a promotion that he ought to accept if it is offered him.

He is a man of exemplary habits, always at his work and has outgrown his present position. For this reason, even though he does not receive the offer of this position, we feel that we must soon lose him. I am pleased to speak this good word for Mr. Ball.

Yours very truly,

Geo. H. Glover,
D.V.M.
