New Visiting Scholar | Engineering Education

Shane Bullock

10/24/2016

Professor Jacek Uziak is currently a visiting scholar in the Department of Engineering Education at Utah State University. He is helping the Department in the design of a Graduate Certificate in Engineering Education to be offered as an online program starting next fall. He is also collaborating with different faculty in various areas of Engineering Education research including the teaching of mechanics, engineering leadership, and application of learning management systems (LMS).

Jacek Uziak, PhD, MSc, PGDE, PGDComp, P.E., is a Professor in the Department of Mechanical Engineering at the University of Botswana. He received his MSc in Mechanical Engineering from the AGH-University of Technology in Krakow, Poland, and his PhD in Technical Sciences from the University of Life Sciences in Lublin, Poland. For the past 37 years, he has been working at universities mainly in Poland and Botswana. He specializes in engineering mechanics and teaches courses in this area. He also has particular interest in the field of Engineering Education.
