Dear Sir.

It having come to my ears, that I have thoughtlessly made certain remarks reflecting on Prof. Bayle as a Man & Teacher, I desire to disabuse your mind of any such intimation. I always have the interests of our magnificent College at heart, and in Prof. Bayle as a member of your Faculty, have always considered him as a hard working, competent, & Conscientious Teacher. While we have our "Boats" together, our social and business relations have always been of the most cordial character, and I regret exceedingly that any such impression has gained credence.

I take great pleasure in making this explanation and sending it to you by my approved friend Prof. Bayle.

Sincerely Yours

Allan M. Fleming
