Mr. B. H. Rawl,
Clemson College, S. C.

Dear Sir:-

Replying to your favor of the 14th inst., will say that we shall not employ any additional assistance in the Animal Industry Department of the Agricultural College this year. Prof. Dryden, who resigned his position early in October, had charge of the poultry department, and arrangements have been made whereby it will not be necessary to appoint a successor during this school year. Should there be an opening for you later, I shall inform you.

Very respectfully,

W. J. KERR, President.
