July 5, 1905.

Prof. W. J. Kerr,
Logan, Utah.

Dear Sir:

I am open for engagement as teacher in a commercial department the coming year, and if you should be in need of such a man I should be glad to have you consider me an applicant. As you will see by my testimonials I left the L. D. S. University to go to school, but on account of financial losses together with sickness in my family, I find it impracticable to go on with my resident work at present. In addition to the work done in the L. D. S. College as shown, I have taken a course in English at the University of Utah, have been a student of the Gallagher Marsh College of San Francisco, the Colorado Commercial College of Denver, and of the Woodworth Shorthand School of Denver. I am thoroughly familiar with the requirements of the Civil Service Commission, having passed the highest in the state of Utah on both bookkeeper and clerk registers. I am at present working as stenographer in the office of Muller & Summerfield of this city, and studying law. I am familiar with the Graham and Gregg systems of shorthand, and hold the Phonographic Institute teachers' certificate for the Benn Pitman system. I am 31 years old, married, have one child. Prof J. W. Jensen is well acquainted with me.

If not in need of a man, will you be kind enough to return my testimonials, and oblige,

Yours very respectfully,

Daniel J. McRae
