Pres. of Agricultural College,
Logan, Utah.

Dear Sir,

I should be pleased to be considered an applicant for a position in your school, Mathematics or Stenography preferred.

I enclose a few copies of recommendations, and refer you to Hon. H. F. Gear, Mayor of Eureka, Utah, Mr. J. A. Beaman, Secretary of School Board, Silver City, Utah, and Prof. H. B. Brown, Pres. of Northern Indiana Normal School, Valparaiso, Indiana.

Should further reference be desired I shall be glad to supply the same.

I have had five years of experience in the schoolroom.

Yours very respectfully,
(Miss) Clara S. Stott.
Keosauqua, Iowa, June 12, 1894.

To whom it concerns:

This certifies that Miss Clara Stott was a pupil of mine for almost two years while I was principal of the Keosauqua schools.

I found her an earnest and faithful student. She stood well in her classes and was one of the few who were inclined to work too hard. She was correct in her deportment and was noted for her faithfulness to duty. Her influence was in harmony with the best interests of the school.

Very truly,

Albert B. Goss.

Co. Superintendent, Van Buren Co., Iowa.

To whom it may concern:

Miss Clara Stott has been in our employ for the last eight months past as teacher. She is well qualified and a faithful worker. In addition to her scholarship she is a refined and cultured lady, self-possesses in manner, social and cheerful.

We most cheerfully and unhesitatingly recommend her to any one desiring a good teacher.

To whom it may concern:

I knew Miss Clara Stott as a pupil in the Kahoka Normal College for about a year. From this acquaintance it gives me pleasure to say that she was one of the most earnest, determined and hard working student that I ever knew. She made rapid progress in all her branches and stood at the very head of her classes.

She seems to have a keen insight into humane nature and makes a commanding appearance. Her kind, sympathetic disposition is sure to win the love and highest confidence of all young people placed in her care. In short, she possesses all those qualities of head and heart that we look for in a first-class teacher. The School Board is indeed fortunate that secures her services. I recommend her unreservedly.

Very truly,

Guy Clinton,

Formerly President of the Kahoka Normal College.

It affords me great pleasure to write this testimonial in behalf of Miss Clara Stott whose work in my classes gave ample evidence of her worth as a lady and teacher.

I consider her excellently qualified for teaching, and, with her high intellectual attainments, she will give the best of satisfaction in any grade she works.

To whom it may concern:

This certifies that Clara S. Stott has been a member of
this school a number of terms. She has completed the work in
Shorthand and Typewriting and in addition to this the Classical
Course of study.

She has been one of our very best students, always among
the first in her classes and ready for her whole duty. She is
thoroughly qualified and will make a very superior amanuensis.

She possesses much more than ordinary ability, is a lady
in every sense of the word and will be valuable wherever her
services may be secured.

There is no one whom I can, with more confidence, re-
command to public favor. Her work will more than verify every
statement made.

H. B. Brown,
President.
