The Press Committee for the Meeting of 1903 desires to give adequate and wise publicity to the arrangements for this meeting of July 6-10, and to the attractions of Boston and vicinity. In this they ask the cooperation of all friends of education.

The public as well as the teachers should know:—

1. That the rate is one fare (plus $2.00) for the round trip.
2. That ticket extension is to August 31.
3. That there are many points of historic and literary interest in and about Boston.
4. That the facilities for visiting all important places will be adequate.
5. That there are many inexpensive hotels by the sea and at the mountains.
Plans for Publicity

The Press Committee has arranged for furnishing the following cuts to all papers that will use the same:

1. President Eliot.
2. Map of so much of Boston as includes the places of meetings and hotels.
3. Map of Boston with historic points marked.
5. Cut of places of meeting.
6. A variety of historic and literary landmarks.
7. Scenic views.
