# Deeper into China

The Huntsman School of Business and the Northwest University for Nationalities (NWUN), based in Lanzhou, China, announced an academic partnership to offer an undergraduate degree in International Economics. This is the fourth such partnership for the Huntsman School, which now counts over 900 students in China enrolled in a bachelor's degree program in International Economics.

Dean Douglas Anderson and Associate Dean Frank Caliendo visited NWUN for the Fall 2014 opening ceremony for the first class of students enrolled as Huntsman/NWUN students.
