V. Distance Education and Electronic Delivery Subcommittee

Minutes – March 30, 2006
A meeting of the Distance Education and Electronic Delivery Subcommittee of the Education Policy Committee was held on March 30, 2006 at 3:30 p.m. in the Business Tanner Room (9th Floor).

Present: David Luthy, Chair (Business)
Byron Burnham (Education)
Bob Heal (Science)
Ronda Menlove (Continuing Education)
Andy Shinkle (Continuing Education)
Weldon Sleight (Continuing Education)
Kevin Reeve (Instructional Support)
Eddie Loo (Information Technology)

Absent/Excused: Lyle McNeal (Agriculture)
Winn Walker (Engineering)
Spencer Watts (ASUSU)
David Lancy (Humanities)

Visitors: None

I. Ronda Menlove presented the Fall 2006 Interactive Broadcast Schedule (August 28 – December 15). In connection with this presentation it was noted that people in southeast Idaho have petitioned their Board of Education to have Utah State University provide satellite classes in their area. Their Board has been friendly to this request. As a result, Andy Shinkle moved that interactive broadcast classes be approved for delivery at the Malad High School in Idaho. The motion was seconded and carried unanimously. It was noted during the discussion that there is an expectation that degree programs will be offered at this site in the future. If so, approval by the Northwest Commission on Colleges and Universities is required. (see attachment)

II. Ronda Menlove presented a five-year enrollment report for Interactive Broadcast, Online, and Independent Study classes. It was noted that it would be helpful for future reports to include enrollment in face-to-face classes at Centers. (see attachment)
III. Ronda Menlove presented for information the Independent & Distance Education Course Evaluation Process and Timeline as an information item. Every class is evaluated at Centers. (see attachment)

IV. There was discussion on various issues including:

A. The decision to move away from satellite delivery of classes to delivery using IP Video. The transition will happen over the next few years.

B. The decision that WebCT will be replaced with Vista between now and December 2007. A “Development Environment” will begin June 2006. A “Production Environment” will begin December 2006. Spring Semester 2007 will be the first semester when classes will be available with Vista. By December 2007 WebCT will be available for archive purposes only.

C. The Blue Ribbon Committee Report (March 25, 2006) is available. It was noted that the DEED Committee may be appropriately involved in the future with issues such as those related to the FACT Center. The DEED Committee will wait for further guidance.

V. Next meeting: Fall Semester 2006.

IV. Adjournment: 4:30 p.m.

Excerpt from the DEED Committee Minutes of March 30, 2006
