Dear Sir:- Have you engaged the coach for your foot ball team for next season? If not I should like to be considered an applicant for the position. I have had several years experience in coaching and have always developed successful teams. Can furnish recommendations from such well known men in western foot ball as H. A. Fleager, Captain Northwestern, C. J. Rothgeb, Captain of Illinois, and C. G. Redden, Captain of Michigan. Have also had some experience in training with one of the best trainers in the country.

If you have not already made arrangements for next season, would be pleased to be given a chance.

Hoping to hear from you at your earliest convenience, I am,

Yours very truly,

W. R. Hughes

Dear Sir:—Your favor of the 23d inst. addressed to the Sec'y of the Athletic Association has been referred to me for reply.

Replying, will say that we have an instructor in athletics, who also coaches our football team. Your letter, however, will be placed on file, and if, in the near future, we need a man in your line of work, I shall be pleased to write you.

Yours very truly,

W. J. Kerr, President.
