III. Academic Standards Subcommittee

Jeff Walters reported the following:
John Mortensen reported to the ASC that the 18-credit registration limit per semester cannot be enforced in Banner with respect to the lifting of the credit limit after the fee deadline has passed. Following discussion of possible alternative modifications of the policy to accommodate this circumstance, the ASC adopted a motion to recommend deletion of the second sentence of the Credit Limit Policy (USU 2005-06 General Catalog, p. 35). The revised policy would read as follows (deleted language in brackets):

Students registering for more than 18 credits {prior to the fee payment deadline} must present their dean’s signed authorization to the Registrar’s Office. {After the fee payment deadline, there is no credit hour limit.}

Scot Allgood moved to approve the business of Academic Standards Subcommittee. Richard Cutler seconded; motion carried.

Any comments on this draft are to be emailed to David Luthy.
