Dear Sir:

An examination of your report for the year ended June 30, 1905, required by an act of Congress approved August 30, 1890, shows that on the third page under "Property" you have failed to give the information requested concerning the land grant of 1862 and the funds resulting therefrom. Kindly supply the information on the enclosed reports and return them to this Office.

Very truly yours,

[Signature]

Acting Commissioner.
