President James B. Angell,
University of Michigan,
Ann Arbor, Mich.

My dear Sir:—We are having some difficulty in the Agricultural College of Utah in arranging satisfactorily for our work in athletics. We are very much in need of a good strong man to take charge of our football team and to assist in other athletic work. We desire a man of good character and exemplary habits, whose influence among the students would be in every way wholesome. We prefer a college graduate,—a man who has initiative, and would be recognized as a leader, and able to attract men who would be helpful to him in promoting the athletic interests of the institution.

Since it is impracticable for me to go east to find a man, I shall very much appreciate any assistance you may be able to give me.

Thanking you in advance, I am,

Very truly yours,

President.
President W. J. Ken.

Logan, Utah.

My Dear Sir:

President Angel referred your letter of March 17th to me. I take great pleasure in recommending to you Mr. Archie Hahn to take charge of your athletics work. He graduated from the University last year and is one of the best known athletes in the West.
I know him to be a man of excellent habits and character. His address is Ironwood, Michigan.

Very truly yours,

Keene Fitzpatrick
