CAC CORNER: UTAHNS WITH DISABILITIES HAVE AN OPPORTUNITY TO VOICE CONCERNS

September 8, 2010 by cephrson

By Adina Zahradnikova, Director of the Disability Law Center

The Utah Disability Law Center is seeking input from people with disabilities, family members, disability professionals, and volunteers about the most important issues impacting people with disabilities for the 2010-2011 fiscal year.

We have developed a draft set of advocacy goals, but, in order to ensure that we are addressing the most important issues impacting people with disabilities, WE NEED TO HEAR FROM YOU. Your feedback will be used to validate and/or modify our plan.

To make sure we hear from as many people as possible, we ask that you send the link (below) to this survey to your friends, family, colleagues -- or anyone who may be interested in the issues impacting the lives of Utahns with disabilities.

To make sure your feedback counts, please complete the survey by Sunday September 12, 2010.

Let us advocate for you on the issues that impact you the most.
