Mr. Archie Hahn,
Ironwood, Michigan.

Dear Sir:

President W. J. Kerr is just in receipt of a communication from Mr. Keene Fitzpatrick of Ann Arbor, recommending you for the position of Director of Athletics in the Agricultural College of Utah. We are in need of a good strong man to take charge of our football team, and to assist in other athletic work. We desire a man of good character and exemplary habits, whose influence among the students would be in every way wholesome.

Should you desire to become an applicant for this position, kindly send to President Kerr a detailed statement of your training, the schools you have attended, and your experience in athletic work. State also about what salary you would expect, and send a recent photograph.

I am sending you under separate cover a copy of the College catalogue, which will give you an idea of the institution and the work it is doing.

Yours truly,

Secretary to the President.
