President Kerr
Agric. College of Utah.

Dear Sir:

Am in receipt of letter
of 16th inst. from your Sec.

Mr. Fitzpatrick wrote me
stating he had recommended me
for said position.

I think I could coach
your foot-ball team and track-
team, also if necessary would
lead classes in gymnasium work.

I was played on the first team
at Univ. of Michigan but have
been under the coaching system
of Gost and his assistants for

Three years so right to know something of the finer points of the game. Have been the representative of the Univ. in the 100 + 220 yd. dashes for the last four years. At present am running under the colors of the Milwaukee Athletic Club, as an amateur. I would not be willing to take the position for less than \$1300 for the nine months work. You see this coaching would make me a professional and I hate to lose my amateur standing and would not do so for less than above amount.

I am sure if you would write Mr. Fitzpatrick he would gladly inform you whether I am capable of taking charge of your foot-ball team.

I believe my habits are, in a way, within your requirements. for I neither smoke or drink.

After looking over your catalogue I think I should like the school very much.

I graduated from the U. of Mich. with the class of 1904. I am having some pictures finished at present and will send you in a couple of days.

Yours truly,
Archie Kahn
