Mr. A. C. Reid,
Ann Arbor, Michigan.

Dear Sir:—

I have been asked to reply to your favor of the 5th inst., and to inform you that there may be a vacancy in the Department of Athletics of the College next year. If so, we shall need a strong man of good character and exemplary habits—one who has initiative, and who would be able to secure the support of the students in promoting the interests of the athletic department. He would have charge of the football team and the general athletic work of the institution.

President Kerr will be glad to have you send him any information that you think will assist him in deciding upon your fitness for the position. Kindly send a recent photograph.

Yours very truly,

Secretary to the President.
