Pres Wm J Kerr,

Utah Agri. College, Logan.

Dear Sir :--

I would like to ask whether or not you are contemplating making a change in your athletic coach for this next year.

I wrote you last summer, and I believe that you have the letters of recommend that I sent you at that time. I want to find a place where I can coach throughout the year as I am equally well qualified to handle the football, baseball and track work, and I will be able to handle the gymnasium work too by the end of this year as I am taking that work in the gymnasium this year here at the Univ of Michigan.

If the position of coach of the athletic teams is likely to be open at your college for this next year, I would like to talk the matter over with you before selecting a coach.

I would be pleased to hear from you on this matter.

Very truly yours,

A. G. Reid

Dear Sir:-

President Kerr has asked me to reply to your favor of the 1st inst., and to inform you that the matter of employing instructors for next year will not be taken up until some time in March. Should there be a vacancy in our Athletic Department, I shall notify you.

Yours very truly,

Secretary to the President.
