Fort McDowell, Angel Island, California,

September 24th. 1902.

The Secretary, Board of Trustees,

Agricultural College of Utah,

Dear Sir,

Will you be kind enough to inform me whether or not it is the intention of the Board to re-establish the military department of the college? The War Department has recently detailed a number of army officers at various colleges and probably would send one again to Logan if desired.

My service at your college from 1892 to 1896 was very pleasant to me and, I believe, generally satisfactory to the Board of Trustees. My station on this Island makes it impracticable for me to send my children to school and it is partly on this account that I wish to get another college detail.

Will you please send me a copy of the last annual catalogue issued by the college?

Very truly,

Henry D. Styer
Captain, 13th. U.S. Infantry.
