My dear Sir -

If you have a vacancy in your
College for an instructor in drawing, modell-
ing, painting in water color, designing, fall
knives, carving wood, making pottery, tooling
leather or bookbinding, I would be very glad to
become an applicant.

I am a graduate of the Pennsylvania
Museum and School of Industrial Art,

located at Broad & Pine Sts., Phila.

Had beside diploma, certificates of school,
including Class A, Class B, Class C, and
Teachers. I send you by same mail my
prospects, and from it you can see what
it means to hold these certificates. You
can also see the extensive course of
my school, and what we must work
through to merit my degree.

Phila. Penna.

Miss Isabella Bradley,

them.

Sincerely,

Edw. F. Geff.
